# ¡ LIVE HOUSE BURN 2000¢

## INVITATION TO ATTEND MEDIA DAY

The Lincoln Fire Department cordially invites you to be a part of **Media Day 2000 - Live Burn**. This year, the Lincoln Fire Department will be hosting a limited house burn for media representatives and city council officials to experience first hand the burning of a house and actually take part in the control and extinguishment of this fire. At all times trained fire personnel will be in charge and safety precautions will be followed. The date selected for this **"Live Burn"** will be Thursday, August 31, 2000 at 9:30 a.m. The location of the home is 2299 Sheldon Street. Please be at this location by 9:30 a.m. There will be a short briefing and the actual burn will start around 9:45-10:00 a.m.

Please wear jeans and comfortable shoes (do not wear open toed shoes, sandals, or dress shoes). Our goal for you is to enjoy being a "Firefighter For A Day", and through this educational experience, have a better understanding of the responsibilities and duties involved in firefighting.

Since there is limited space, **you will need to confirm your attendance today** by calling Sandy in Fire Administration at 441-7315.

For further information, contact Chief Mike Spadt at 441-8350.
